PARTNERSHIP

CULTIVATE MANKATO WOULD LIKE PARTNER WITH YOUR RESTAURANT

We are looking for LOCAL restaurants to provide one meal item a month for our children at Cultivate Mankato. Whether it's a side dish, main dish or snack, we want to partner with you!

Partnership Benefits:

- Acknowledgement on social media platforms & our website (along with your logo). We will feature your business logo next to your provided meal item on our monthly menus.
- Compensation for the meal item you provide.
- Connection to all of the families we serve = potential customers.
- Providing a new food to children and expanding their exposure to different foods!

Why are we interested in partnering with local restaurants? Because....

If interested in a partnership, email Becky Fichter at becky@cultivatemankato.com
